Payment Policy

The patient's portion of the bill must be paid at every visit. We accept cash, check, Visa, and Mastercard.

We accept assignment of insurance benefits after preauthorization. Please note that your policy is a contract between you and your insurance company and that we are not a party to that contract. You are responsible for your bill regardless of what your insurance pays. All deductibles and co-pays are due at the time of service.

If you have a pending liability claim (for an injury, motor vehicle accident, etc.), we will file a claim to the responsible insurance company for you. However, payment is expected according to the above policies at the time you receive treatment. Payment is not contingent on any settlement by which you may recover fees for services rendered.

Unless cancelled at least 24 hours in advance, our policy is to charge \$15 for missed appointments.
